AmeriPlan Auto Club

Administered by United States Auto Club-Motoring Division

Auto Club - There is nothing more frustrating than having trouble with your car while on the road. And if the trouble with the car isn't enough, you sure don't want trouble getting immediate assistance 24/7 by a reliable qualified service provider. Membership in the AmeriPlan Auto Club program will give you the service, the comfort and the savings to lessen your bad experience. The first \$50.00 of emergency roadside or towing services, you just sign your name and drive away, you pay nothing. Additional charges are discounted by at least 25% off of the retail price. Breakdowns still are not fun, but this program lessens the pain.

AmeriPlan Identity Theft Assistance

Administered by CLC

Identity Theft - Today, Identity Theft has become a \$50 billion problem in the United States. More and more people at all levels of society are becoming victims. What once was a problem for the wealthy has become a problem for all of us. There are two important elements of the identity theft issue that applies to everyone. First is the matter of prevention and second is the matter of resolution after the fact. This CLC Identity Theft Program addresses both of these issues.

AmeriPlan Legal

Administered by CLC

Legal and Financial - Should you have the need to consult an attorney, this program will give you a FREE one hour initial consultation for each occurrence and a 25% discount on any ongoing legal fees. You will also have access to over 4,500 online legal documents, along with a complete legal reference resource.
